Meal-A-Month Program The Planning Committee is aware that many members of Single Vision are on limited fixed incomes and cannot always afford the \$7 meal costs and recommended a program with funds donated by Single Vision participants. Persons in this category would be eligible potentially for one meal/month depending on availability of funds. If you think you could spare \$7 occasionally to support this program, a basket will be available Mondays, with all funds going to this cause. This would start on a trial basis. Tell us what you think.
